

AFRICA INLAND MISSION **FEATURED OPPORTUNITY**

North Africa Business Team

Serving through Business, Live an Intentional Christian Life in a North African Community

The Opportunity

Located in a strategic city in a North African country, a team of three to six adults will engage in viable business in order to establish a presence and build relationships in the community. The team is open to a number of different options as far as businesses. Each team member will work on learning the local language and culture, building relationships, and sharing Christ in those contexts. A strong prayer life, and building a strong prayer team back home will be foundational for the team.
