

AFRICA INLAND MISSION

SHORT-TERM TEAM OPPORTUNITIES 2019

FUEL

IMMERSIVE MISSION TRAINING

FUEL is a program intended to help lay a foundation for full-term cross-cultural ministry. Conducted in partnership with other like-minded mission agencies, FUEL focuses on equipping participants with the tools they'll need to minister in hard-to-reach areas. Each team member will be partnered with a national missionary. You'll live within the local community and learn first-hand what missions actually feels like. Together you will share in the ups and downs of ministry and day-to-day life, and learn more of who you are in Christ and the part you can have in making Him known among the nations.
