

## AFRICA INLAND MISSION **FEATURED OPPORTUNITY**

# Hurri Hills Team Member

## Work as part of Africa Inland Mission's Team in the Hurri Hills of Northern Kenya

### The Opportunity

As Africa Inland Mission seeks to expand our work in Kenya's Hurri Hills region, we are seeking team members who will engage in gospel proclamation, taking opportunities to share the good news widely in the region's communities and towns.

Team members will be disciplers who help prepare new believers to become disciplers themselves. The team will be involved in the local communities, demonstrating Christ's love through their actions and lifestyles.

### Experience and Qualifications

In addition to standard AIM qualifications, we are also looking for people who have very practical skills such as auto maintenance, welding, electrical and building skills, as these skills are very helpful in this remote region.

### Personal Characteristics

Team members must be able to live a simple lifestyle in a very remote area.

### Ministry Dates

Immediate and open ended

### Location

Northern Kenya
