

# AFRICA INLAND MISSION **SHORT-TERM OPPORTUNITY**

## Go Program // 2020

### The Team

BASED IN AFRICA and facilitated by experienced missionaries and national leaders, GO is a two-month discipleship and mission training program that seeks to develop Christ-like character and to instill basic skills for outreach among unreached people groups.

#### What will I do?

GO has three phases:

1. Introductory training
2. Our East Africa team will then fan out to different locations where they'll serve among an unreached people group with one of AIM's full-term missionaries. *Note that one of our East Africa locations can accommodate medical students.* Our North Africa team will be teaching ESL to high school seniors.
3. A debriefing period to include lessons learned, preparing for returning home, and consideration of next steps.

#### The "Serve Longer" option...

Participants can arrange to serve through GO as a foundation for a longer short-term ministry, serving in any of AIM's ministry regions for up to eight months after completing their GO training.

**Who can participate?** Young adults.

**How much support will I raise?** About \$4,000 to \$5,500 USD depending on location.

#### Where can I serve in 2020?

Opportunities to serve through AIM's GO Program will be held in North Africa and East Africa.

### Team Locations/Dates

#### North Africa Team

June 20 to August 9, 2020

#### East Africa Team

June 23 to August 17, 2020

Applications due by January 15, 2020.
