

COVID-19 Update for AIM in the Asia-Pacific

Africa Inland Mission's Asia-Pacific offices in Australia, Hong Kong and New Zealand are open. Our priorities are to continue to support our workers in Africa, those on home assignment, and those preparing to serve. [Contact us](#).

In line with Government advice and predictions, we have suspended short-term programs from Australia and New Zealand at least to the end of 2020. However, we are very pleased to receive [enquiries](#) and talk with people about future full-term and short-term service for 2021 onward.

We continue to welcome support gifts by post, direct deposit, and [online transactions](#). Your continued support is valued and vital. The dive in the value of Australian and New Zealand dollar means it will not go as far in supporting overseas workers.

A tax-deductible project, [African Crises Relief J1076N](#) has been established. This will allow us to assist Africa in a crisis, including this current pandemic. We invite your support, please click here for [Australia](#) or [New Zealand](#), or contact the Australian [office](#) for more information.

Praise God that His mission is not cancelled or hindered by this crisis. The work among Africa's unreached might look different, but His plans and purposes are not thwarted. Pray his people in Africa will continue to adapt to the changing situation and continue to proclaim Jesus among Africa's unreached in word and action. Pray that many more will become disciples, grow in their faith and share God's love with those around them. More prayer material can be found [here](#).

Thank you for your understanding and support in these difficult times. Trust God and stay safe.

Shalom.

But as for me, I will look to the LORD; I will wait for the God of my salvation; my God will hear me. Rejoice not over me, O my enemy; when I fall, I shall rise; when I sit in darkness, the LORD will be a light to me. Micah 7: 7-8
