

AFRICA INLAND MISSION **FEATURED OPPORTUNITY**

Malta Outreach Team

Serve among a growing number of North Africans and Sub-Saharan Africans migrating to Malta.

The Opportunity

As part of the Malta Outreach Team, you'll work in partnership with local ministries to serve among the growing population of both North Africans and Sub-Saharan Africans who are immigrating to this Mediterranean island nation. The team will work to establish small reproducing discovery groups and house churches, as part of the wider body of Christ. Because of the multi-cultural nature of this location, ministry efforts will reach beyond Africans.

Qualifications and Characteristics

We are looking to build a team of disciple-makers who are both expats and Europeans. We're seeking compassionate people who are passionate about disciple-making, casting vision, and partnering with national believers.

Cross-cultural experience is desired, and a degree or diploma may be needed for visa purposes. Outreach experience and practical skills which could aid newly arrived migrants would be helpful.
