

AFRICA INLAND MISSION

You can help transform Kenya

Africa Inland Mission is partnering with Global Development Group in project J1061N, Equipping Leaders Kenya. Gifts are tax-deductible in Australia. (See details below).

This project will contribute to transformational development and change to ensure leadership with integrity and help provide spiritual, moral and economic development in Kenya, and East Africa.

About 36 potential leaders will be trained over three years in one of five institutions in Kenya. Students will be selected by AIM for their capacity and character to provide quality leadership with integrity and long-term commitment to help communities in areas where such leaders are few.

Training institutions selected to provide this quality training include: Kapsabet Bible College, Kapsabet; Northern Bible Training Centre, Marsabet; AICMB Training College, Eldoret; Ravine Bible College, Eldama Ravine and Baringo Bible College, Kabarnet. Colleges receive a scholarship payment of USD500 for students in this project.

This leadership development will equip community leaders for the future. Training spans theological understanding, ethics, values, leadership and change management. Training at Eldoret also includes transformational development principles. It is estimated this project will impact more than 1800 people in communities in Kenya.
