Be part of a one-year orientation program that follows AIM's Inbound Curriculum while actively working alongside other ministry partners and local churches in ministry among Muslim refugees in the urban Kampala area.

Inbound is a one-year, team-based training and mentoring program designed to equip new missionaries with practical skills and knowledge for long-term cross-cultural life and ministry among unreached people groups. Led by experienced missionaries, Inbound prepares new full-term workers for service as well as providing a one-year missions exposure for short-termers interested in considering full-term work.
