

# Kilwa Inbound Team

The Kilwa Inbound Team will be based in a small town among a coastal Swahili people group on the Tanzania coast.

Inbound is a one-year, team-based training and mentoring program designed to equip new missionaries with practical skills and knowledge for long-term cross-cultural life and ministry among unreached people groups. Led by an experienced missionary, Inbound prepares new full-term missionaries for service as well as providing a one-year missions exposure for short-termers interested in considering full-term work.

The Kilwa Team will consist of 7-12 adults, and is open to singles, couples, and families with children. Team members must be able to live simply and be life-long learners.

The team will focus on 5 key strategies: Language learning, national church partnership, team growth, culture/religion study, and boundaries and healthy living.
