

# Mahajanga Inbound Team

The Mahajanga Inbound Team will live and work among the Sakalava people in northern Madagascar.

Inbound is a one-year, team-based training and mentoring program designed to equip new missionaries with practical skills and knowledge for long-term cross-cultural life and ministry among unreached people groups.

Led by an experienced missionary, Inbound prepares new full-term missionaries for service as well as providing a one-year missions exposure for short-termers interested in considering full-term work.
