

Teacher/Trainer CE - Chad

In this strategic role, you'll join with others to equip Christian Chadian educators with a biblical worldview, an understanding of their role in fulfilling the Great Commission, and a passion to reach the unreached of Chad through their role as educators.

"Being introduced to the Scriptures and the gospel message at a young age helps [Chadians] break down barriers and gives them freedom to engage with Christians and the Bible," writes one team member.

In addition to your role as a Teacher / Trainer, you'll also be deeply involved in daily life in the community, learning language, culture and building relationships.
