

# AFRICA INLAND MISSION

## SHORT TERM MISSION OPPORTUNITIES

Considering short-term mission? There are so many ways for you to use your gifts and skills, on our team programs or through individual placements. If you feel called to Africa, then why not get in touch, and explore your role in God's mission plan?

### SPECIFIC INDIVIDUAL PLACEMENTS:

If you have a particular skill, like teaching, building or nursing and you feel God calling you to Africa, AIM could have a placement to suit you. You will live alongside long term missionaries and immersed in African life; gaining an insight into different ministries and real understanding for life on the mission field.
