

# AFRICA INLAND MISSION **SHORT-TERM OPPORTUNITIES**

## Camp Counselors // 2021

NORTH AFRICA | KENYA

### The Opportunities

#### English Camp - North Africa

We need native English speakers who love the outdoors to be camp counselors for kids ages 8-14. Enjoy camping and outdoor activities while also teaching English in an active environment. Camps run every two days, with a new group of campers arriving every third day.

No special English qualifications are necessary as the camp teaches English through modules (projects). Each counselor will have an assistant counselor who speaks the local language and can help with translation. The campers often know some English as some have attended in previous years.

#### Camp BlueSky - Kenya

Located just outside Kenya's capital city of Nairobi, Camp BlueSky hosts a series of gospel-centered biblically based camps for Kenyan children, many of whom come from secular backgrounds or families of other faiths. Because of BlueSky's excellent reputation, parents are willing to send their children fully aware of the camp's Christian focus.

As a BlueSky counselor, you'll have the opportunity to invest the lives of Kenyan children from a wide range of backgrounds and beliefs, share the love of Christ with them, and have a ton of fun in the process!

### Team Locations/Dates

#### North Africa

Flexible service times between March and June

#### Kenya (Just outside Nairobi)

End of May - Beginning of August. Includes **2 wks** training and debrief, **6 wks** camp, and **3 wks** exploring Kenya.
