

# AFRICA INLAND MISSION SHORT-TERM OPPORTUNITY

## Cape Town Diaspora Internship // 2021

### The Team

Experience an impactful cross-cultural introduction to missions! This team will spend 3 months being part of an online community preparing and being equipped for practical engagement with unreached diaspora communities as well as the local indigenous communities. The online preparations will cover the following modules; Kairos, Islamic Studies, Discovery Bible Study, Orality Training and Cross-Cultural Training.

They will also learn discipleship practices among unreached Diaspora Africans, gain exposure to Business as Mission, and do compassion ministry. This team will then spend 1 month in Cape Town and surrounding areas with the specific aim of applying the missional insights gained in the training as well as applying the evangelistic tools learned. The team will also serve in a semi-rural area surrounding Cape Town.

### Who can serve?

- Prospective missionaries who want to discover and clarify their calling among unreached Diaspora nations;
- Young missional leaders who want to grow in their cross-cultural capacity for ministry among the unreached diaspora;
- Anyone interested in the dynamics and practice of church planting;
- Those who are willing to use their gifts, skills and experience to reach the Muslim diaspora;
- Those who have a heart or interest for Business as Mission long term.

### How much support will I raise?

About \$8000 CAN\*
