Inland Mission's
Diaspora Ministry

The Team

Malta is combination of the ancient world and the fast track corporate world. After 2016 many migrants from West Africa have made Malta their home. These migrants are mainly from predominant Muslim backgrounds blended with African traditionalism. Now for the first time they are in a context where they can hear about the message of Jesus. It's into this context into Malta that we invite you this Summer. Let's trust Jesus for amazing encounters and see the Gospel being carried out not only into other parts of Europe but also unreached parts of Africa.

What We'll Be Doing...

Finding people of peace (Luke 10) with whom to share Christ
Prayer ministry

Supporting ministry of our partners with them.
