### Who can serve?

TIMO Quest is for singles and married couples with no children.

**TIMO provides practical hands-on training while engaging in real, transformational ministry:** what you learn in the books you read and the papers you write is reinforced in your day-to-day life as you engage with your community. TIMO is about foundations through deep relationships and active discipleship.

**ROOTED:** We start from a place of deep and personal relationship with Christ, and consistently return to this place in the daily unfolding of ministry.

**EMPTIED:** We remember that our sufficiency comes from Christ. We serve by his grace, and submit to his will.

**RELIANT:** Teams are the heart of how we function. We never go alone, acknowledging the value of dependence and the beauty of fellowship laid out for us in God's design.

**PRESENT:** We show up, stay long, and go deep. Seeking to reach people in their context determines where and how we live.

**RELATIONAL:** Ministry is always centred on people. We seek meaningful relationships marked by love, compassion, and trust.
